

St. Saviour & St. Thomas of Canterbury
Parish Pastoral Council

Dear fellow parishioner,

Parish Stewardship Teams

As a result of our parish pastoral council's work to identify parish priorities, we would like to call a general meeting to set up the parish teams to address these priorities. I am contacting you because, either you have volunteered already to support a team or a fellow parishioner has suggested your name.

You may recall the parish priorities were identified as

communication	working collaboratively
leadership	adult formation
liturgical planning	ecumenical development

This meeting will be held on Saturday 20th March at 10.00 am in the Holy Family Centre, next to St. Saviour church in Totland. The meeting will be finished by 11.30 am.

The purpose of the meeting is to agree the parish teams and to discuss how they will work. Although a liturgy group and a communication group have held preliminary meetings, we thought it a good idea for all to meet together. This will give an opportunity also for us to address any protection issues we need to be aware of under the 'Safeguarding' regulations.

Please do try to attend, and bring along with you anyone else who would be willing to help with a team.

I look forward to working with you on these issues.

All best wishes,

Peter Birks

Chairman.
